We, the Seniors of 1950, bid Au Revoir to the wonderful times and pleasant friendships we have had at Batesville High School.

## "AU REVOIR" STAFF

Dummy, layouts, copy, deadlines to be met — these may not mean much to you, but to the Au Revoir staff, they mean a year of hard work to publish the yearbook. The staff began planning last spring and worked continuously until the book was finished. This required many hours of work outside of school. It has been the policy of Batesville High School to let the seniors manage and publish the yearbook. This policy has been carried out to no less degree this year.

It is no easy job to publish a yearbook, but it is not all work and there is always the time when the book is completed and each member can point to it with pride. So it is that we present to you the Au Revoir of 1950, different in many ways from recent years, but we hope it will leave you with a clear picture of your school as it really is.

The Annual Staff

YOU, the students of Batesville High School, constitute the Student Council. This is your expression of democracy in action. You elect two representatives from each of your classes to represent you on the Student Council, who in turn present your ideas at their meetings for improving B. H. S. This year your Student Council has carried out such projects as assembly programs, pep sessions, brought about the realization of the football team, and many other projects which make our school proud of you. We congratulate you on your accomplishments and are behind you in your future undertakings.

# Class History

'Twas the month of September in forty-six  
On the campus scampered 101 scared chicks  
Batesville High held open its door  
An in we walked by the score.

The assembly was our new found home  
For at first we didn't trust to roam  
We were shy — you might say green  
But we were the largest class seen.

The building — teachers, all were new  
Who would lead our new crew?  
We voted for whom we thought best  
Here are who we put to the test.

President ..... Lary Brockman  
Vice-President ..... Mary Laudick  
Secretary .....  
Treasurer ..... Joan Mollaun  
Class Sponsor ..... Mrs. Fawver

Now that a year had past  
Our friendship was bound fast  
Our first parties were held in the gym  
And the reservoir for a sneak swim.

Adventurous, willing to learn  
Mr. Hamblin did us a good turn  
To the Chicago aquarium and planetarium we went  
This time was well worth spent.

We had a moonlight hayride  
On which we did all decide  
To have the most of fun  
Our chaperones would be Lismann and Anderson.

In the passing of all this time  
To keep our class in rhyme  
Doing the best expected

President ..... Bob Gauck  
Vice-President ..... Joan Mollaun  
Secretary .....  
Treasurer ..... Jean Bruns  
Class Sponsor ..... Mrs. Fawver

Now we were Juniors, new things in store  
New students and activities more  
Among activities the hardest work lay  
In the prom and Junior class play.

December third and this was it  
"Beauty and the Beef" was quite a hit  
This play everyone did enjoy  
For Beauty was the girl and Beef the boy.

We had the best basketball team this year  
For our season ended with a cheer  
After many a basket, a tumble and a fall  
We were the winner of the sectional.

Finally the day for the prom came  
The scenery was beautiful — never the same  
The setting was that of Hawaii  
And those grass skirts — aye — aye — aye.

The next day came our Junior outing  
We boarded the bus, all shouting  
Everyone was weary — you could tell at a glance  
But all faces were seen at the all school dance.

To guide us through our Junior year  
And keep straight our scholastic career  
We elected officers once more  
These were chosen to keep the score.

President ..... Bob Schmidt  
Vice-President ..... Joan Mollaun  
Secretary ..... Greta Fisher  
Treasurer ..... Dorothy Loew  
Class Sponsor ..... Mrs. Fawver

Now we were Seniors — superiors by far  
It took four years to get us where we are  
We gave good examples so we thought  
To the Freshmen a lesson was to be taught.

Then came the Freshmen initiation  
The Seniors did have their fun  
The Rhinies though it was lousey  
If you don't believe me — ask Mousey.

Then came the Indiana State Fair  
A portion of our Senior Class was there  
They came back with souvenirs — this and that  
Most noticeable were those red and white hats.

February third was another big day  
We presented "Dear Ruth" our senior play  
The audience enjoyed with a spirit of elation  
All the letters and all the carnations.

The basketball team was better yet this year  
The season ended with a louder cheer  
After beating Versailles, Milan and Osgood above all  
We have won the second consecutive Sectional.

Planning our Senior trip, our destination  
Is Fontana Village for a vacation  
Between the mountains this village lies  
Quite a scenic spot and easy on the eyes.

We are looking forward to our graduation  
And to taking our station in this mighty nation  
It is with tears and sadness that we depart  
For another life we all will start.

Our future has more in store  
We are looking forward to the prom as before  
And exams, they are coming too  
Then commencement, and we're through.

We thank the teachers for all they've done  
In sticking with us in lessons and fun  
This is one of the many debts we owe  
But we can't pay them all we know.

We are proud to be Seniors and regret to leave  
But in the world a pattern we'll weave  
Now we the Senior Class join in a choir  
And bid everyone of you "au revoir."

President ..... James Schorr  
Vice-President ..... Joan Mollaun  
Secretary ..... James Lampert  
Treasurer ..... James Prentice  
Class Sponsor ..... Mrs. Fawver

As the clock struck the tenth hour, everyone at the Prom grew quiet with anxiety as they awaited the crowning of the Queen.

Bob Schmidt, Junior Class President and Master of Ceremonies, took over the "mike" and announced the Juniors' choice for their Prom Queen, Miss Doris Laudick. The Queen and her escort, Calvin Doyle ascended the throne in a maze of applause.

Joan Mollaun, Hostess, presented the Queen with a dozen red roses, a token of esteem from the Juniors.

The Queen was crowned by School Superintendent, H. F. Schulte, after which she was joined on the throne by her court, Miss Virginia Becker and Miss Marian Hahn.

After the crowning the King and Queen danced alone to the strains of "Stardust" played in their honor.

## PROM IN HAWAII

On the night of May 25, 1950, a happy throng of young people, both the young in years and in spirit, clambored from the deck of the Luxury Liner, "Queen For a Night" to spend a delightful evening on the shores of Kiholo Bay.

The theme of the Prom, **"dancing under the stars in Hawaii"**, was very effectively executed with the presence of palm trees, orchids by the score, the sunset on Kiholo Bay, hula dancers, and the gorgeous Hawaiian sky filled with glittering, dancing, silver stars —stars rivaled by the twinkling candles on flower decorated tables.

Eddie Roe's Orchestra, of Connersville, furnished sweet music for smooth dancing. The orchestra was situated on a lovely flower decked veranda made even more attractive by the presence of the lovely vocalist.

In the west, over the bay, the pink glow of the setting sun silhouetted two great mountains while the silhouette of a dancing hula girl was visible in the east before the rising moon.

The program of entertainment included vocalists and dancing and acrobatic acts by four entertainers.

The sisters of the seniors, dresser in various colored grass skirts with halters that bared one shoulder, and flower adorned ankles and wrists were the servers.

Then, at that magic hour of midnight, confetti and serpentine leis were provided to all the guests. A hullaballo of confusion and shouts of good wishes filled the air.

Soon thereafter, the guests bade a fond farewell to the beautiful Hawaiian island and slowly, reminiscently climbed aboard the "Queen For A Night" to return home after a delightful evening of magical fantasy, an evening that was to last in the memories of the guests forever!

RED ANDERSON

After coaching at Batesville for three years, Red has produced a fine type of fast ball. His record for this season was one of the best in B. H. S. basketball in recent years. A four letter man at Purdue, he received outstanding honor in scholarship and athletics. An excellent coach, Red will be missed by all, as he is undertaking a new job as coach of the Madison Cubs. We all wish him the best of luck in the future as he departs from B. H. S.

Don "Flash" Richter has handled the student manager's job very capably this year. This is his second year of towel carrying and massaging, while he is assisted by Paul Becker in fulfilling the task of student manager. These boys had much to do with the Bulldogs successful season as they have worked hard to keep the Bulldogs rolling.

**Bob**

**Larry**

**Jim**

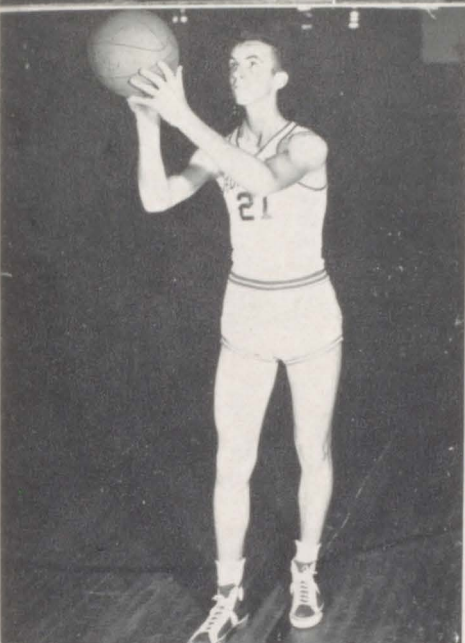

**Pete**

Bob Schmidt: "Smitty" assisted "Pete in handling the job of co-captain. Although not high scorer, he was a fine defensive man. As a rebound man, he couldn't be beat. When he got his six feet three inches off the floor, nobody could take a rebound from him. His sportsmanship is also something we were proud of. He might have got a little "overheated" at times but when the game was over he was the first to shake hands with the opponent.

Larry Brockman: Although not being able to finish the season because of an injury, Larry still has the honor of being a three letter man. As a sophomore he joined the Bulldogs and could be counted on to get the Bulldogs some points if they were needed. He was a fine defensive man and won recognition as a good ball handler.

Jim Doyle: Jim was one of the smallest boys on the team, but he proved that, "basketball isn't a big man's game". His hard driving brand of basketball both on offense and defense won him a spot on last years team. This year although still not making the first five, he proved that good substitutes are very necessary. Jim had a nice push shot and was a fine ball handler.

Jim Schorr: Playing his fourth year of varsity ball, "Pete" proved that he was very capable of scoring his share of points. Besides being the high scorer for the Bulldogs during the season, he also did a mighty fine job on defense. Selected as co-captain of the team, he also won a position on the Cincinnati Post All Star Team. "Pete" has also won the comment of being a tricky passer. His passing gave the Bulldogs quite a few baskets. He is, and should be proud to wear his letter with four chevrons across it.

Denny Peetz: Another Junior playing his first year of varsity ball, Denny is a consistent scorer and a good defensive man. Whenever a bucket was needed, Denny was usually the man to come through. He could also go in and get those rebounds. Denny was also "Ham-bone's running buddy" on the fast break.

Tom Eurst: A Junior playing his first season on the varsity, he proved that good substitutes are needed. He was capable of playing any position on the floor, so whenever a substitute was needed, he was usually called. Once he got on the floor, he could be counted on to score his share of points. He had a wicked one handed shot that went through as many times as it didn't. Tom could also be counted on to get the rebounds.

Bill Giltz: Playing his first season on the varsity, Bill was about the hardest worker on the team. Although the fans praised his "do or die" style of play, he was never satisfied. He could outjump any body six inches taller than him and won fame as a tip-in artist. He was among the high scorers of the team and never quit working to im-

prove his defense. Everyone has a favorable comment when speaking about Bill's brand of basketball.

Paul Fields: A Junior, Paul is playing his first year of varsity ball. He is small but makes up for it with speed and a fighting brand of basketball. When there was a loose ball rolling around, Paul usually came up with it or half killed himself trying. His defensive play was tops and could always be counted on for a couple of field goals.

Lester Bruns: A Junior playing his first year of varsity ball. Lefty was in the "thick of the mist" when the ball came off the backboards. He came down with the ball more times than not. Not a very tall boy, he has been called "Jumping Lefty" by his teammates. Some fans wondered how he can jump so high.

Lefty also gets his share of points. He gets most of these on his deadly pivot shot.

Dick Struewing: He is also a Junior playing his first year of varsity ball. Dick was the second tallest boy on the squad. When he took his six feet, two inches off the ground to get a rebound, he usually came back down with the ball. Like all the rest, he could score too.

Paul Wernke: A Junior who made the team when he was a Sophomore. He had a "deadly" one handed shot from the side. He could also be counted on to get his share of rebounds. When the Bulldogs started their fast break he was always out in front. He finished behind Pete as the second highest scorer for the season.

First Row: Jim Doyle, Paul Fields, Denny Peetz, Paul Wernke, Larry Brockman.  
 Second Row: Don Richter, Student Manager; Lester Bruns, Tom Burst, Dick Struewing Bob Schmidt, Jim Schorr, Bill Giltz, Coach "Red" Anderson.

## Basketball

The Bulldogs of 1949-50 had one of its best seasons in recent years. They won 13 and lost 5 games during the season and went on to win the sectional. They lost in the finals of the regional to a good Rushville team. The Bulldogs delighted all their followers by winning 10 of their first 11 games. However, they slumped a little during January and lost 3 straight games to Greensburg, Aurora, and Lawrenceburg. The Bulldogs met the same 3 county teams they had beaten during the regular schedule to take their second sectional.

Schorr, Schmidt, and Wernke were chosen on the all-sectional team.

## YELL LEADERS

Left to right — Audrey Doyle, Mary Simmermeyer, and Joanne Rogers.

## BULLPUPS

The Bullpups had a very fine team this year. Their won and loss record shows this. They won 11 and lost 9. Besides this, they won the Scottsburg Tourney.

The team was made up of nine Sophomores and five Freshmen. Louis Dieckman, Milton Baas, Danny Kile, Jerry Kellerman, and Paul Goldsmith made up a starting five that was hard to beat. Able substitutes in Ace Moorman, Connie Schulte, Blain Herd, Bob Nickel, Nicky Stewart, Wayne Huneke, Louis Enzinger, Paul Wintz, and Jim Decker made up a reserve power that was tops

“Doc” Hamblin should also be given credit for molding these boys into a team.

## F-O-O-T-B-A-L-L

Under the head coaching of David Hamblin, and Assistant Myrwin Anderson, Batesville produced the first football team in the history of B. H. S. The Bulldogs gained recognition throughout the State and made gridiron history. By developing a powerful offense from a single wing the Batesville Gridiron Bulldogs cut down experienced opposition, once again proving that the men of B. H. S. possessed the necessary courage and determination.

Sylvester J. Bartling

"Bess", our beloved and capable director in Batesville Schools since 1937, has built the band from a handful of willing musicians to a winning band which it is today.

His kind firmness and understanding have made him a favorite with all the students of B. H. S.

We, the five seniors of '50 will always have a warm spot in our hearts and bid a fond, but sad, "au revoir" to the dear old B. H. S. Band and "Bess."

## B. H. S. BAND

The B. H. S. Band is the oldest and most active organization in Batesville Hi. Under the able direction and leadership of "Bess" it has developed into an excellent playing and marching band. The students of B. H. S. and the citizens of Batesville are very proud of it.

The Band is active in both school and civic affairs. It performs for many of the following functions: basketball games, pep sessions, assembly programs, county fair, class plays, commencement exercises, parades, street fair, Memorial Day Celebration, music contests, and the Turtle Derby. It also ushers in the Legion Baseball Season each year. The biggest program and performance put on by the Band is the annual Band Concert, which every citizen anxiously awaits.

The B. H. S. Band is made up of forty-three members. For a band lacking in instrumentation, it goes a long way. It placed first in the District Band Contest this year, and it took a second rating at the State Contest.

To the Band and "Bess" the Seniors say, "Keep up the good work and Good Luck."

## Girls' Chorus

The Girls' Chorus was organized so that those girls who do not belong to the Chant Ensemble group can further their interest in music.

The group is under the direction of Mr. Bartling. It does not perform for school or civic programs, but sings and practices for enjoyment and relaxation.

## Mixed Chorus

The mixed chorus was organized in recent years and has come a long way up the ladder of success. Its only requirement is that its membership be composed of students from the Boy's Chorus and the Chant Ensemble. This group practices once a week together and is currently preparing for various contests.

## Boys' Chorus

The Boys' Chorus is made up of B. H. S. boys, who have passed the qualifications for membership. It was organized in connection with the Mixed Chorus and provides for sectional rehearsals. It is under the direction of Mr. Bartling.

## Clifty Falls

On May 26, 1949, despite the warnings of "no more parties for your class", our Junior class accompanied by Mrs. Fawver and Mr. and Mrs. Schulte, took the traditional trip to Clifty Falls State Park.

We made the trip via two Trailways busses, leaving the gym at 8:00 a. m. after cleaning away some of the refuse left from the prom the night before.

We spent a very pleasant day hiking, horseback riding, and exploring the caves and trails. At noon, we opened our basket lunches and found that the ants had left us a goodly share.

We were fortunate enough to return with all the passengers that had started the trip. Although there was the usual amount of lost wallets and money, all of the Juniors found their way back to the busses.

After a very pleasant day, the last day of our lives as high school Juniors, we returned home. We arrived at the gym at 5:30 p. m. worn and exhausted, but filled with happiness, reminiscence, and satisfaction and looking forward to the all school dance that evening.

## *Freshmen Initiation*

One of the most "looked forward to" events is Freshmen initiation held in the fall. The seniors plan a hilarious assembly program which, strange to say, the freshies never appreciate. After the program, the two classes get together for dancing and refreshments.
